*Regional Cooperation and Issues of Municipalities in Upper Dauphin County*

September 15, 2005  
Halifax Township Municipal Building

Norma Shearer	Halifax Township
Albert Morgan	Lykens Township
Ray Kissinger	Gratz Borough
Mark Long	Gratz Borough
Joe Snyder	Upper Paxton Township
Alan Loesch	Jefferson Township
Robin Loesch	Jefferson Township
Linda Bechtel	Secretary-Treasurer

Didn't have a quorum. President and Vice President weren't in attendance so we didn't have a formal meeting, just a discussion.

The October 20 meeting will be in Millersburg Borough Municipal Building.

Very good discussion.

We felt we really need to get the Appeals Board set up for the UCC.  
Also discussed whether the UCC changes were formally acted on.

Discussed emergency management and thought it might be a good idea to host a meeting for the Emergency Management people to discuss preparedness for an emergency here (Katrina has everyone thinking!).

Decided we need to work on the municipalities not attending meetings. Will work to bring them out at the October meeting.
